

For Each Entree Item (Buttons in Red)

Click on each button (Leo Lamb Gyro, Scorpio Spicy Gyro, Virgo Classic Gyro)

Check that the menu is replaced with the customization menu

Clicking "Finish Item" should return to the menu, the name of the button should appear in the right side panel and the totals should update.

10/19/2021 7:42:46 PM

Leo Lamb Gyro

Remove Selected

SubTotal \$5.75

Tax \$0.5175

Total \$6.2675

Click the red buttons again, clicking each checkbox on or off. Upon clicking "Finish Item", changes to the check boxes should be reflected in the right hand screen in the order Pita, Tomato, Onion, Lettuce, Eggplant, Mint Chutney, Tzatziki, Peppers, Wing Sauce.

Scorpio Spicy Gyro

Hold Pita

Hold Onion

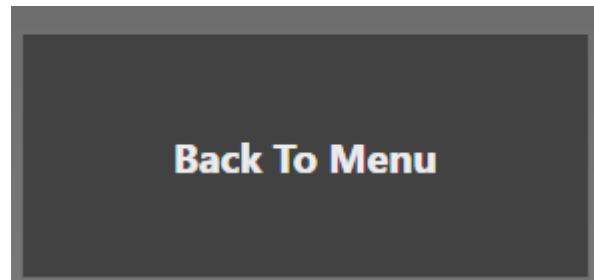

Hold Lettuce

Hold Peppers

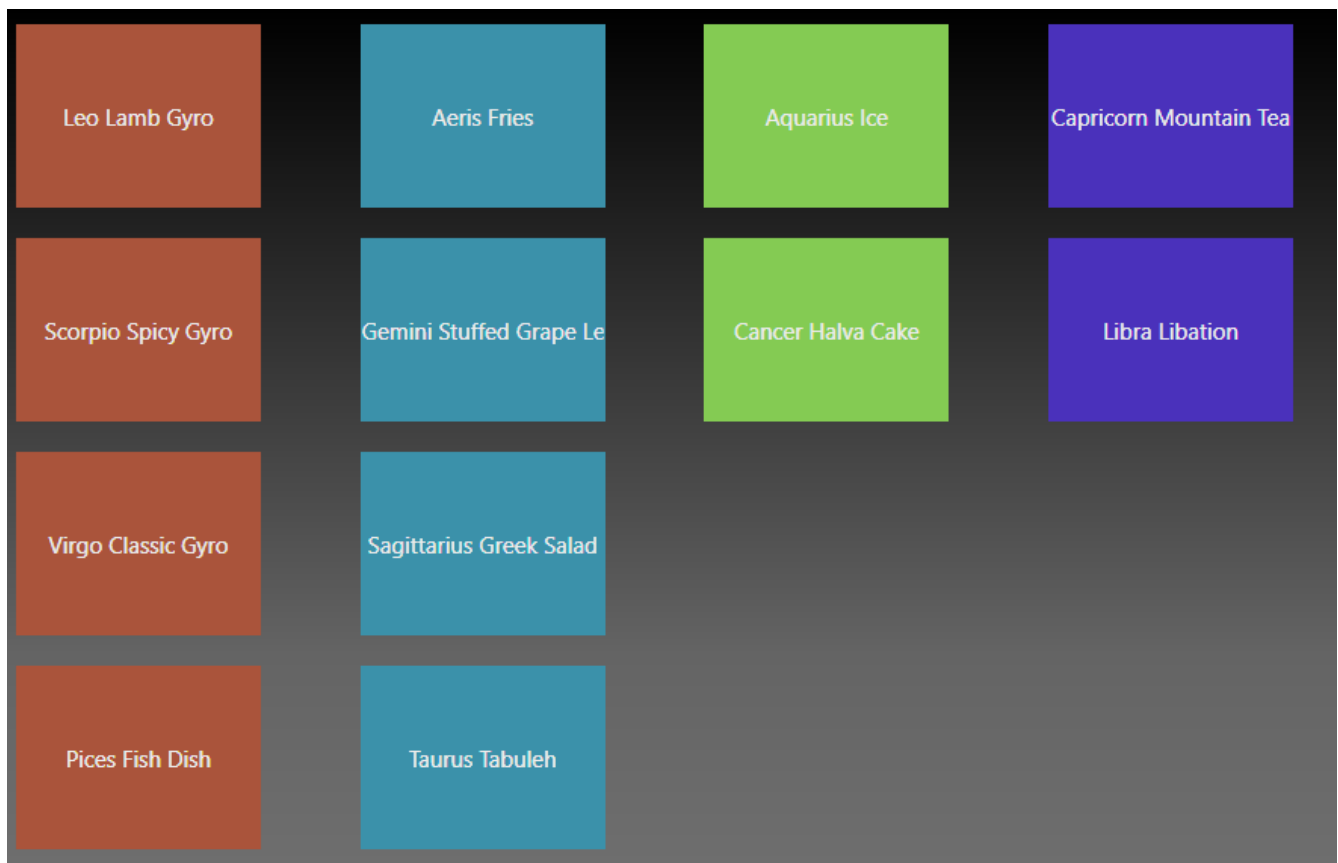

Note that Pices Fish Dish will not have any options and should simply show up as

Pisces Fish Dish

Next Select any button to bring up the customization window and click "Back To Menu" button on the window

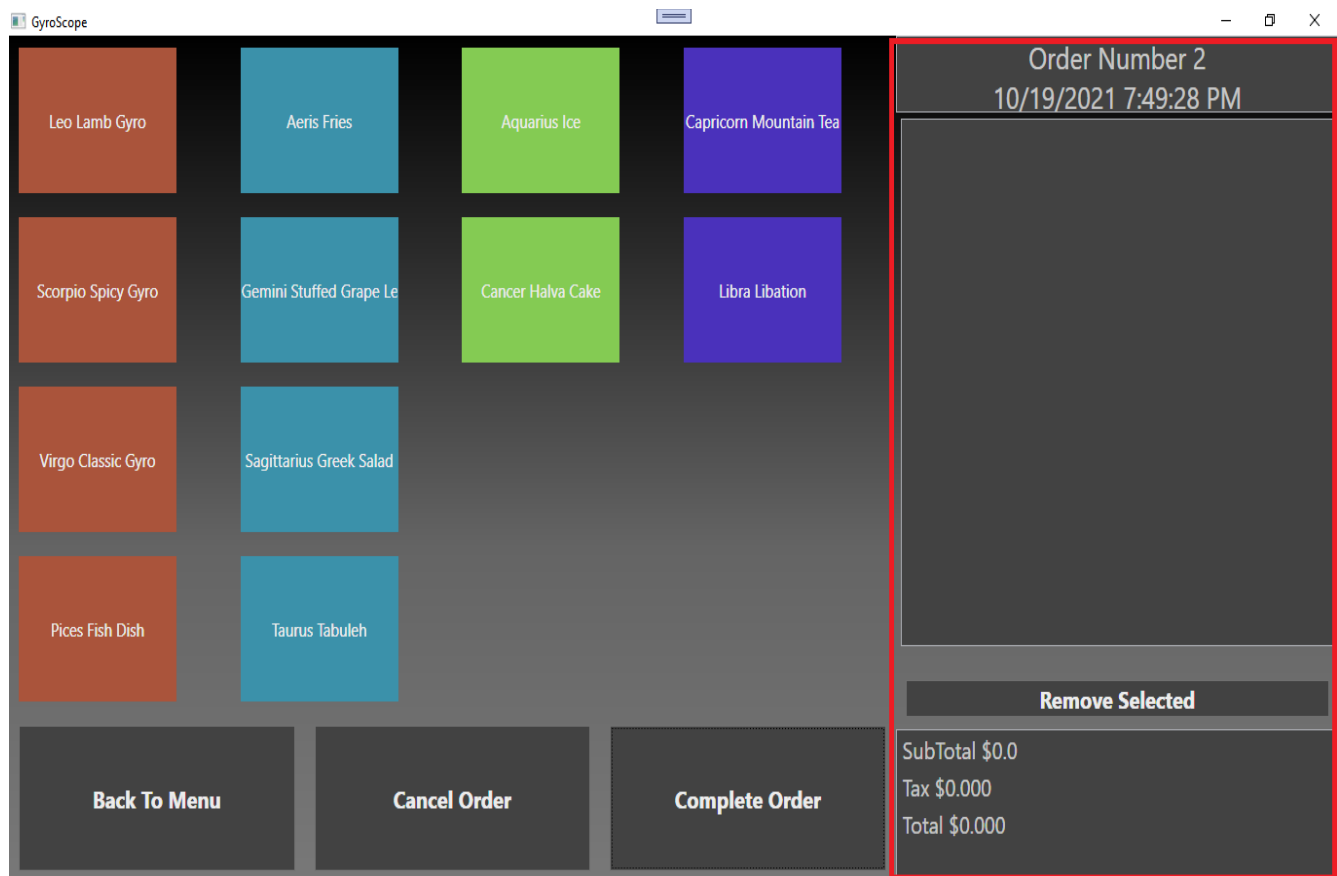

And confirm that the window changes from the customization window to the menu screen

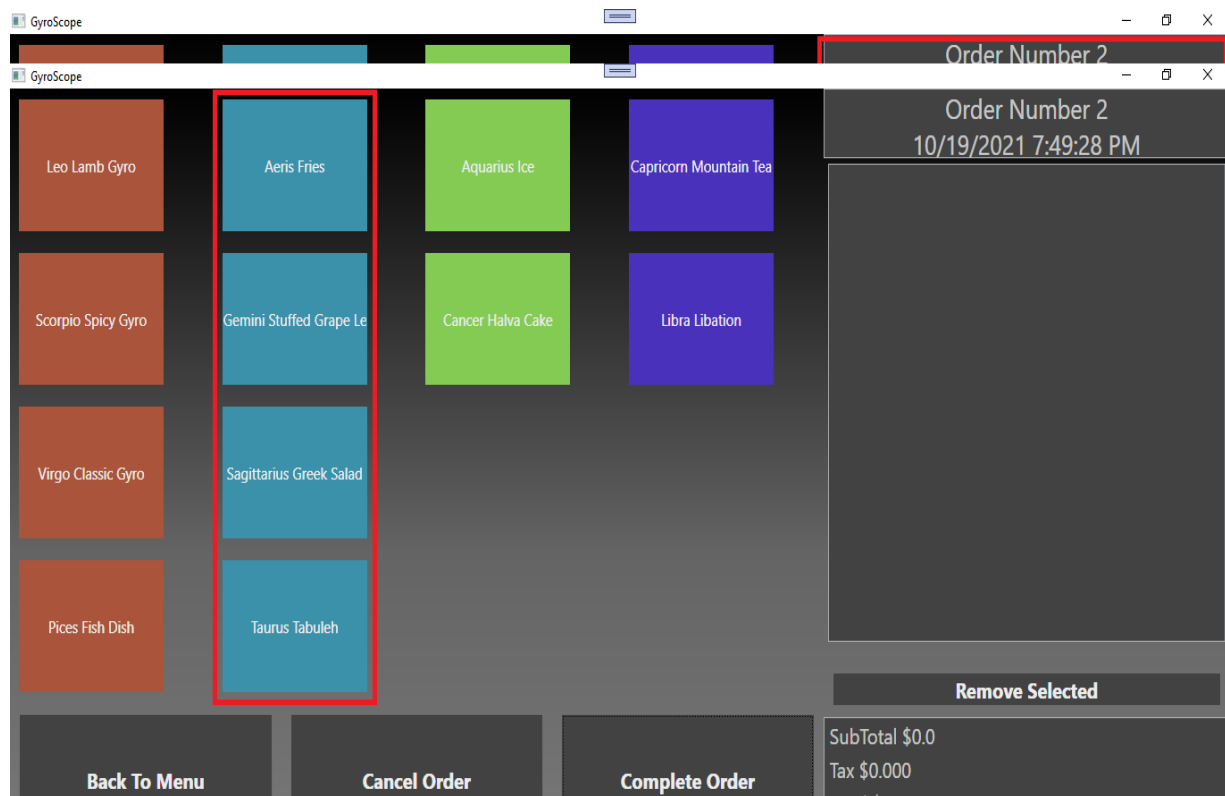

And that SubTotal, Tax and Total as well as Order Number do not change.

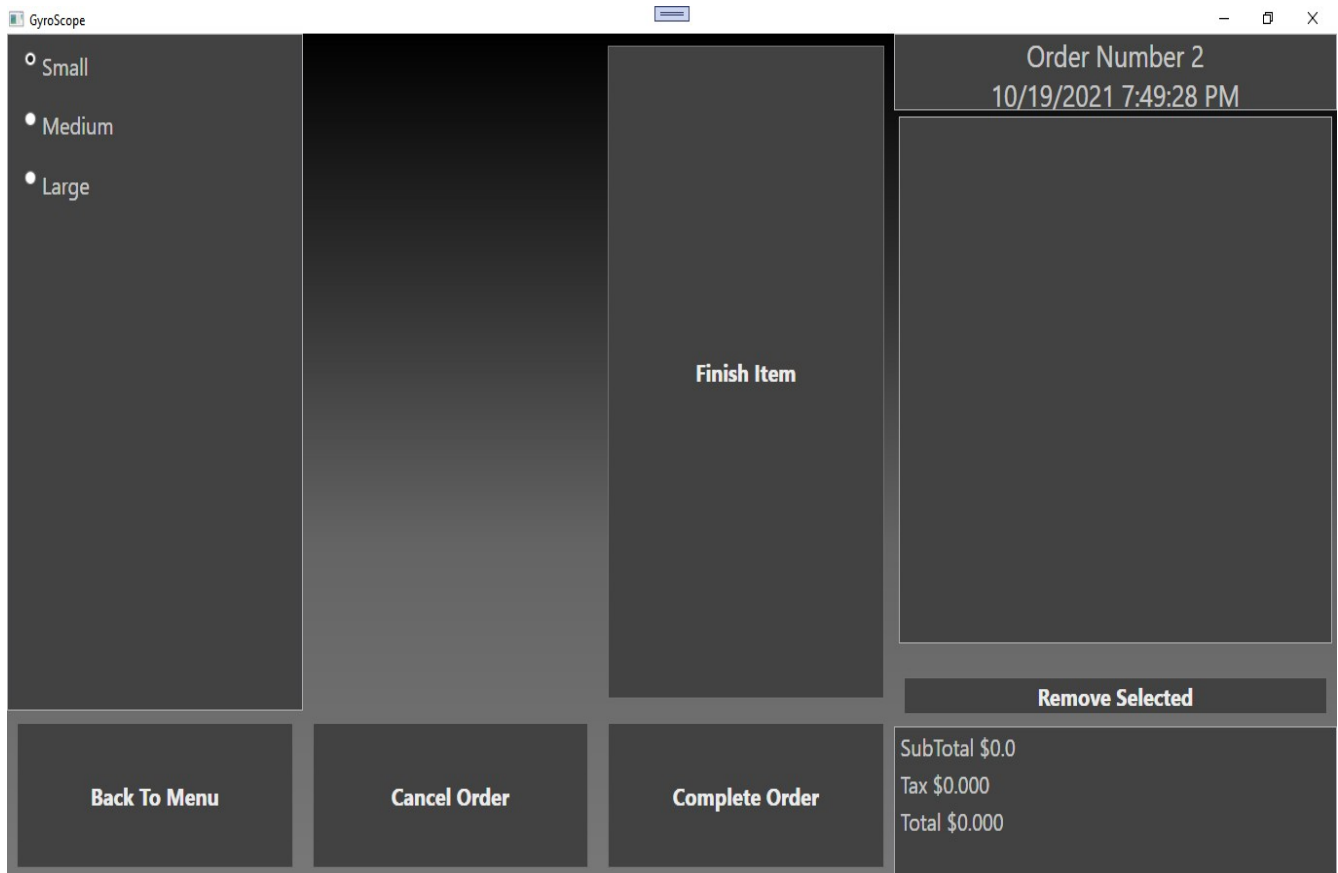

Next click the Complete Order button and ensure that right side of the window changes to blank, the totals all are set to 0.0 and the order number has updated

For Each Side Item (Buttons in Blue)

Ensure that each button brings up the same Side Customization window

Add each size of the item by clicking the radio buttons (The default is small) and ensure that the output is formatted the same as the provided picture

Small Aries Fries
Medium Aries Fries
Large Aries Fries
Small Gemini Stuffed Grape Leaves
Medium Gemini Stuffed Grape Leaves

Tax \$0.2700
Total \$3.2700

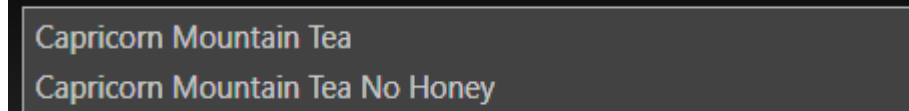

For Each Drink Item (Buttons in Purple)

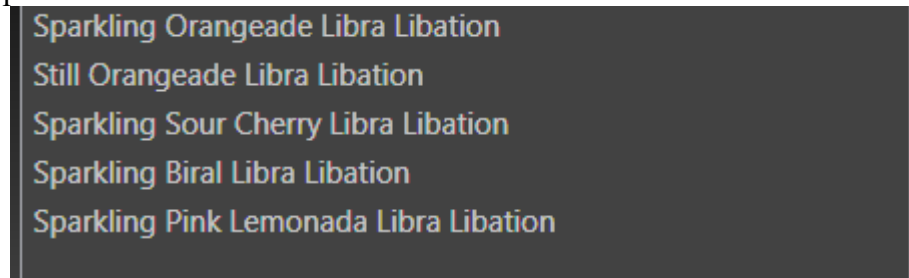

Ensure that Capricorn Mountain Tea brings up the following window

Select one of each of the provided options with the radio buttons and confirm the output window reads the same as the provided picture

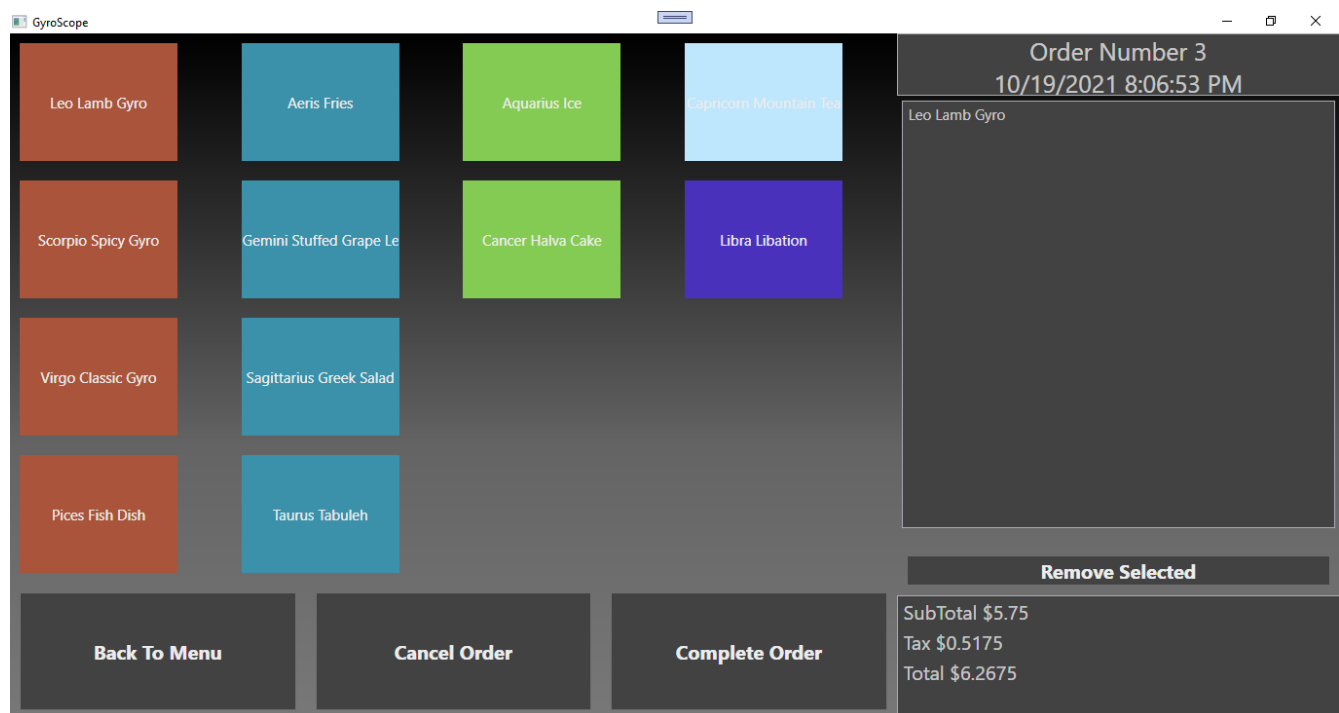

Next Select the Libra Libation button, and create one of each possible option and confirm the output is the same as the provided

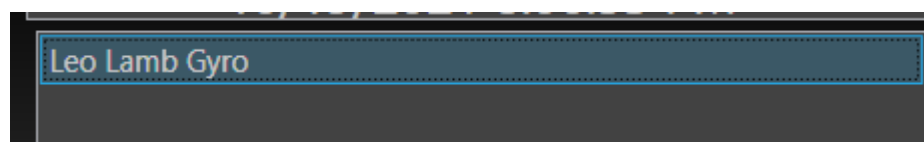

Testing Remove Selected

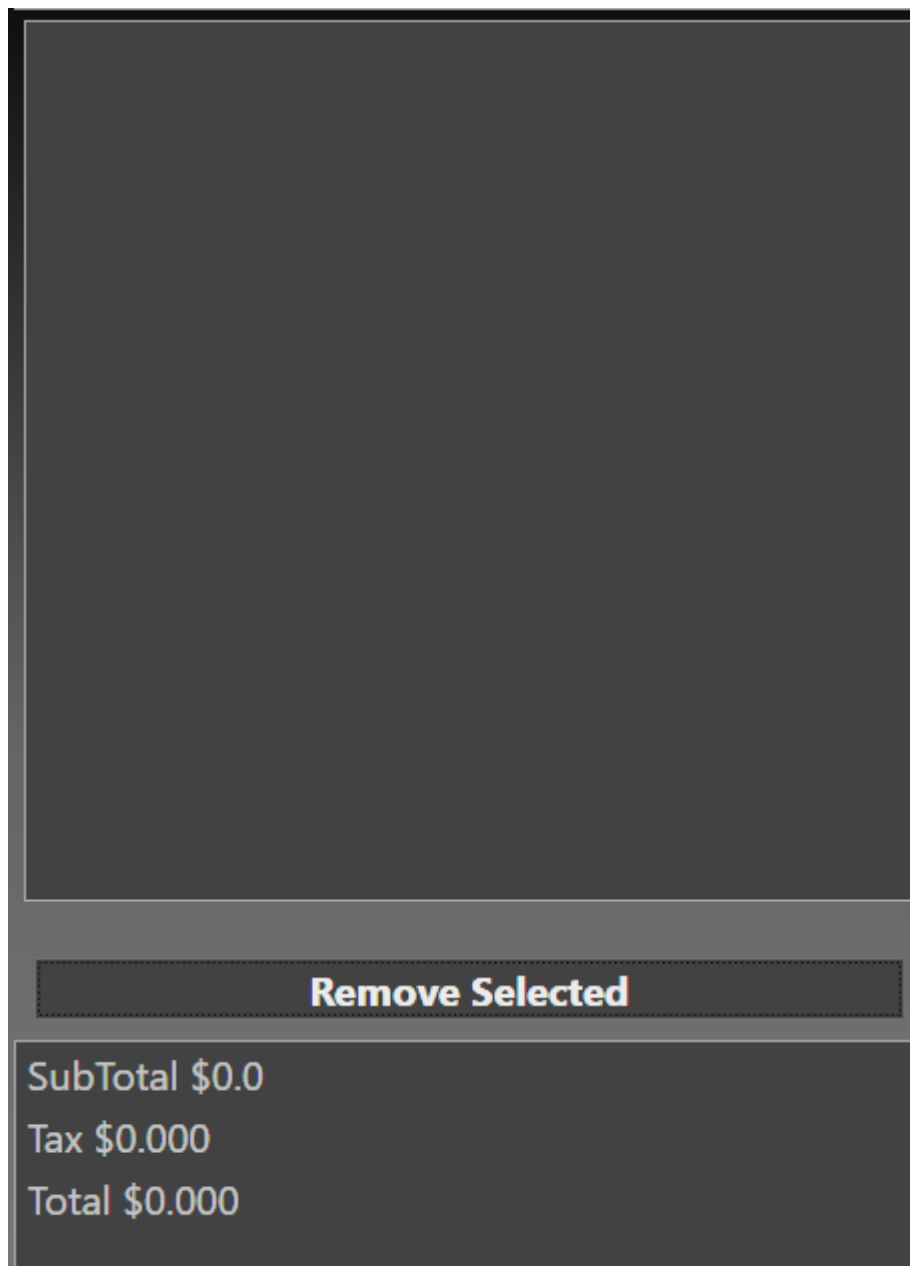

Add any item to the order

Select the added item in the list window

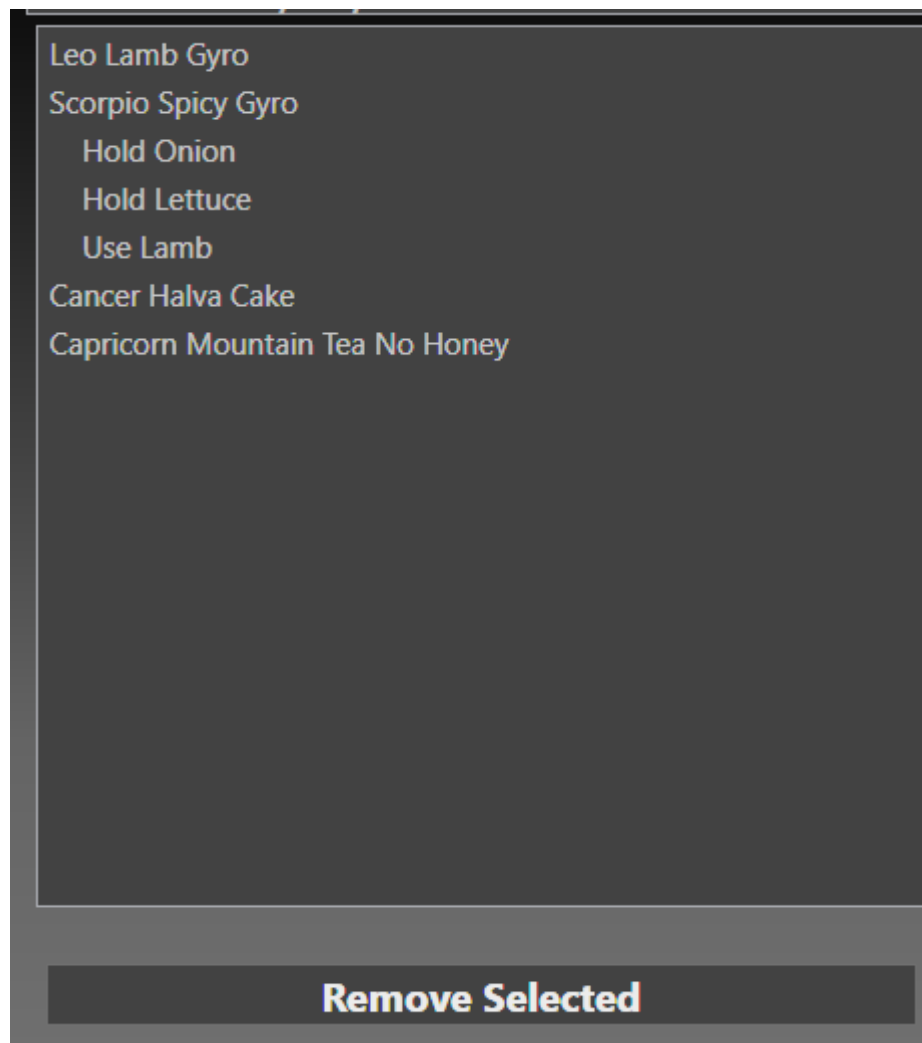

Click "Remove Selected" Button and confirm the item is removed from the list and the totals update to 0

The image shows a screenshot of a web application interface. It features a large, empty rectangular area at the top, likely for a list of items. Below this area is a button labeled "Remove Selected". At the bottom of the interface, there is a section for totals, which displays "SubTotal \$0.0", "Tax \$0.000", and "Total \$0.000".

Next add multiple items to the list

Leo Lamb Gyro
Scorpio Spicy Gyro
 Hold Onion
 Hold Lettuce
 Use Lamb
Cancer Halva Cake
Capricorn Mountain Tea No Honey

Remove Selected

Select Each item in the list and click Remove Selected. Confirm the item and any following instructions are removed from the list and the total is updated.
